

The Massachusetts Energy Marketers Association (MEMA) has partnered with Consumer Focus Marketing to produce three customer billing inserts to help you promote clean, renewable Bioheat® and energy-efficient equipment. MEMA is pleased to be able to offer these marketing materials to the industry at no cost with support from the National Oilheat Research Alliance (NORA). Choose your quantity and place your order today. Use these materials to help communicate the evolution of oil heat and all of its benefits.

ORDER TODAY!

Clean and Efficient

With today's highly efficient equipment technology powered by low sulfur heating oil blended with Bioheat®, heating oil is the environmentally friendly choice for your home or business. Learn more about new heating oil equipment, equipment rebates, and clean-burning fuel at Discoverheatingoilmass.com.

Locally Grown

We are locally operated retail energy businesses. Our technicians, drivers, and customer service personnel probably live in your town or very nearby. We take pride in that—not just because we are neighbors, but also because it has been our heritage as an industry for generations. Learn more about new heating oil equipment, equipment rebates, and clean-burning fuel at Discoverheatingoilmass.com.
