

## 2024 Membership Application

The Massachusetts Energy Marketers Association (MEMA), established in 1955, is recognized as one of the leading heating oil, renewable Bioheat fuel and propane industry trade associations in the country. MEMA is engaged in all activities and programs impacting the home and commercial heating and energy business. The association’s ongoing mission is the promotion and protection of all companies within the liquid heating fuel and propane sectors. MEMA is a key participant in all state and federal legislative, regulatory and policy activities; and is responsible for the development and implementation of all National Oilheat Research Alliance (NORA) programs for Massachusetts.

MEMA is a not-for-profit organization but to ensure MEMA’s operational strength, the association’s Board of Directors has established a dues structure for all retail heating fuel, Bioheat fuel, diesel fuel and propane companies; wholesale suppliers of these fuels; and companies providing products and services to the industry.

▪ **Membership Dues Levels**

Please check your member category and if retail, your appropriate dues amount based on annual sales volume of distillate fuels. Dues can be remitted annually or semi-annually. Dues paid annually must be received by January 1. MEMA’s fiscal year is December 1 through November 30. Make check payable to: Massachusetts Energy Marketers Association
